

DAF Mounting Plate

Aluminum frame mount
 wall/panel Mount

Material/Finish

	DAF
Main Body	SS400 Electrostatic Coating

- This part is for fixing the workpiece to an aluminum frame, wall panel or sheet metal, etc.

- Angle hinge **DFS-H** (→ P.xxxx) **DFSN-H** (→ P.xxxx) **DKBR-H** (→ P.xxxx) have compatible mounting dimensions. You can freely combine them for use.

Application

Machine tool / Medical equipment / FPD production device / Semiconductor manufacturing device / Packing machine / Food machinery

Unit : mm

Part Number	d	Max. Load Weight (kg)	Mass (g)
DAF-60-M4	5	10	400
DAF-60-M5	6	10	400
DAF-60-M6	7	10	400
DAF-60-M8	9	10	400
